We invoke you, Gaṇeśa, the Lord of the Hosts,
the most renowned, full of inspiration.
The most elder among the high Gods.
Oh, divine father of all mantras, the leader of the Gods,
by listening to our humble prayer,
come with all of your powers and sit with us
to protect us and help us to learn.

With curved tusk, infinite body, and effulgence equal to a thousand suns,
make me free of all obstructions to liberation, O my God, in all my duties and in every way.

Intelligent Śakti, spiritual friend, the Lord of the Hosts, I bow to you.
Make me free of all obstructions.
