

New Moon Circle

New Moon Circle is a group of engaged students who meet with Shambhavi monthly to practice and study together in a less formal way. Students have generally already attended Jaya Kula's core teachings.

Participation in New Moon Circle is by invitation only. Students who maintain significant, active commitments to forms of sadhana not taught by Shambhavi will not be invited to participate in New Moon Circle.

The New Moon Circle cannot be live-streamed.

Circumstances

- You attend a minimum of nine gatherings a year.
- You maintain a daily practice as directed by Shambhavi.
- If you have not taken all of the core teachings, you do so as soon as the remaining teachings are offered.
- You attend satsang regularly.
- You undertake one solo retreat per year under Shambhavi's guidance. Retreats are a minimum of three full days duration.
